LEFT TO RIGHT: Associate Professor Lunceford, Professor Chopmon, Associate Professor Davison, Professor Ashlock

Dr. Chapman

The purpose of the Department of Bible and Religious Education is to train college students to be better Christian leaders on campus, in their churches, and in their communities. It also gives adequate training to those students who plan to make their life's vocation in the field of religion.

Howard offers many courses in Bible and religious education. Some of those offered are Church Leadership, History of Religion, Clinical Homiletics, and Bible Doctrines. There are many more which are valuable to college students.

#### extension division

This deportment was created to meet the need and the urgent demand across the State of Alabama for facilities for training preachers and loy workers in the churches. Dr. Davis C. Woolley, second from left, is the head of this deportment.

## biology and chemistry

Dr. Southern, head of Chemistry

Dr. McCullough, professor of Biology

Dr. Mabee, professor of Chemistry

The Biolagy Department affers caurses which give the student a fundomental and practical knowledge of living organisms, their relationships are to another, and their place in the scientific world. While the cultural value is emphasized the caurses are outlined to meet the basic needs of secondary school teachers, graduate students, and students planning to enter such specialized fields as medicine, dentistry, hame economics, medical technology, nursing, pharmacy, public health, physical education, etc.

The Chemistry Department affers courses including those basic principles of chemistry necessory for scientific and technical fields, such as medicine, engineering, pharmacy, agriculture, industrial and pure chemistry. Those expecting ta became prafessianal chemists ar chemical engineers fallow, in cansultation with the department, the caurse recammended by the American Chemical Society. It includes inorganic, analytical, organic, and physical chemistry, and an advanced course in ane of the subjects just named.

iournalism

Mr. Scroggins Journalism

The increasing demand of the public that it have accurate and adequate information is thrusting a new challenge upon the profession of journalism. Public opinion is built primarily upon facts or the interpretation of facts, so it is highly important that journalists be extremely well qualified and fully aware of the responsibility which rests upon them.

The Department of Jaurnalism at Howard is designed to offer journalistic training to two types of students: (1) those who expect to enter journalism as a career, and (2) those who would find one or more journalism courses very helpful in their profession.

Associate Professor Wheeler, Assistant Professor Bishop, and Professor Hess, deportment head.

#### mathematics

With the ever increasing need far mathemoticions in all fields af technical industry, the study af mathemotics has become more impartant each year. The well trained mathematician can find emplayment in an increasing variety of jabs.

The Mathematics Deportment at Howard is serving several purpases. The primary function is to pravide each student with a basic caurse in mothematics. In addition, they alsa teach advanced caurses for thase interested in engineering, chemistry, and the teaching of mathematics. Caurses are taught in bath thearetical and applied mathematics.

#### engineering

American calleges each year hand aut obaut seventeen thousand diplamos ta students in engineering. This impartant field requires extensive training in mathematics, chemistry, ond physics.

Haword's pre-engineering curriculum prepares the praspective engineer far advanced study. Under an agreement with Vanderbilt University, ofter three years of study a student can tronsfer to Vanderbilt and upon campletion of two years af study there will receive his degree.

Sacialogy is defined as the science of the origin, development, and constitution of society. Howard's Socialogy Department is more than adequate to handle this jab. The classes study the local as well as the national systems in our society, and how they are functioning at the present time. An area of concentration is offered in this field and it prepares the graduate to better understand the people around him.

## —speech and drama—

Associate Professors Lindsey and Yeomans

The caurses in the Speech Department are planned to give the student an organized knowledge of the essentials of speech from both the scientific and artistic aspects and to enable him to develop a personal proficiency that will be of use to him in professional and social relationships.

The drama courses are so set up that a student cancentrating in this area may take advanced wark in any one of the fallowing; acting, playwriting, producing, directing. Each student selecting this area of concentration is required to be a stage manager and Masquers' production.

Haword's bottling Bulldogs, after riding high following the Sewanee game, were knacked from the clauds by the Mississippi College Choctaws 13-6. Chuck Anderson's strang orm again aided the Bulldags in getting the one tauchdown. Chuck faked Howard Hawkins into the line and passed ta Bill Karrh in the left side af the end zane where he took it with na one around him. Anderson's kick far the extra paint was blocked but Howard led 6-0. The Chactows passed the Bulldags and took the victory home with them.

Millsops Callege drapped the Bulldags 24-12 in Jacksan, Mississippi. Bill Karrah taak o pass from Anderson ta go aver far the first T. D. Far the Bulldags' secand touchdawn Anderson passed 29 yords into the end zone to Bill Korrah, wha jumped far the boll, but bobbled it when a Millsaps man hit it and the ball fell fram Korrh's hands only ta foll inta the hands of Cunningham Craw, freshman fullback, who held to the ball making Haword's second T. D.

Caming out from under twa straight defeots the Bulldogs turned bock the strong Memphis Air Statian 30-20. Howard Hawkins praved to be the affensive star of the game as Haward was determined to prave itself against the Hellcats. Hawkins gat through far the first four Haward touchdawns, while Bill Karrh intercepted a pass to trovel over the line for the fifth and final Bulldag T. D.

A 31-degree temperature and a hard-hitting Maryville College Football team proved to be unhospitable hosts to our Bulldags in the sixth game of the season as they defeated Howard 21-12. Cunninghom Crow stored with the Bulldags only two touchdowns.

A pepped-up Southwestern footboll teom soundly whipped the Bulldogs 33-7 of the Southwestern compus of Memphis on Oct. 30. This was the first time in years that Howard had been beaten by the Lynx from Memphis. Billy Joe Lovvorn Bulldog Co-Coptoin scored the Bulldogs only T. D. Anderson added the PAT.

Spirits ron high on the squod os they prepored themselves ogoinst the Corson - Newmon Eogles to win the onnuol Homecoming frocos. The dogs foiled to growl ond the Eogles flew high to toke the gome 27-7. Howkins mode the Bulldogs only T. D. with Morvin Breeding making the PAT.

In the leadoff gome, the 8ulldags troveled to Spring Hill to engage the Bodgers. They took the measure of the opposition by a score of 84-80. Bill 'Killer' Korrh lead in the points department as he scored 34 points.

In the second gome, the Bulldogs continued on their winning ways as they took the measure of Rollins 71-57. On the next night the Bulldogs beat the Southwestern Lynx 86-64. Breeding led in these two gomes with a total of 44 points.

The 'Dogs dropped a close one to Jocksonville Stote 62-60, but they rebounded the next night to whip Millsops 82-66. The following night they troveled to Storkville, Mississippi to ploy Mississippi Stote. They lost that game 78-55,

In the next game the 'Dogs were hot as they swished the nets for 102 points in defeating Mercer 102-81. Karrh again was high point man with 13 field goals and 9 free throws for a total of 35 points.

Over the Holiday seoson the Bulldags met disoster in losing five stroight to Mississippi Stote, Mississippi College, Northeostern (Louisiono, Northwestern, and Auburn.

Fighting bock gomely, the Bulldogs hit the victory troil ogoin winning two in succession. They trounced Sewonnee 81-63. The next night the 'Dogs took the meosure of the Moccosions from Chottonoogo by 19 points.

Howard then entertoined William Corey College and defeated them 94-76. The team then troveled to Sewonee where they lost a heartbreaker by the score of 75-76.

In the next two gomes the cogers cought on fire os they defeoted Oglethorpe 100-54 and a mediacre Florence team 74-56

Then came one of the biggest games of the season os the Bulldogs troveled ocross town, followed by a large group of students to meet the perenial rivols, Birminghom-Southern. In a wild game, whose outcome was in doubt until late in the game, the 8ulldogs outsmarted the Ponthers in winning by the score of 83-72.

On February 4th, the team troveled to Millsops to engage the Majors. Millsops was never in the game as Howard wan by a score of 83-73. Then the team from Mississippi College took the measure of the 8ulldags 91-72.

On February 8th, the second game of the series with Birmingham-Sauthern was played. In this game, 8ill Lankford teamed with Marvin Breeding and Bill Karrh to completely dominate the play as Howard wan 74-57, thus retaining the city championship for the fourth consecutive year.

Jocksonville and Mercer then won from Howard by scores of 74-62 and 78-72. Right along with these two loses the team won easily from Oglethorpe 86-66.

As the seoson came to a close the Bulldags were defected by Delto State 85-68. Chattonoogo edged them 66-63. Christion Brothers College dumped Howard 66-55, but the teom come bock to win the next night in closing out the seoson with a victory over Southwestern. The score was 69-63.

All through the season two men were responsible for the major portion of the scoring. Marvin Breeding led in scoring with a total of 626 points for an average of 20.7 points per game. Bill Karrh was right behind him with 619 points and an average of 20.6 points per game. Also to be commended for the fine job they did are Bill Lankford, Walter Barnes, Jerry Medlock, Gerald Faught, Don Riddle, and David Howle.

In Memoriam

On August 24, 1954, death dropped o borrier between Howard students and one of their most beloved professors, Dr. Xon—o true Scientist, a servant of humanity, and o Christian gentlemon.

Dr. Xon was not just o Scientist, for what he taught was for above and beyond the realm of Science. When one entered o Science course with Dr. Xon, he was not burdened down with scientific principles and o quantum of theory, formulae, and focts, but his was an enlightened vision of a vost world—built by God for man's dominion, resources, given by God for man's consumption, and a most remarkable human body, given by God to insure man's supremecy. Few students have left his class without a deep appreciation of Nature, and an entirely different attitude toward this phenomena we call Life.

Dr. Xon seemed outomotically to become the idal of all those who studied under him. And, although no one of his students could ever anticipate ocquiring his vost knowledge, or cope with him in experience and obility, they all admired his his serene atmosphere and his tronquil monner of understanding human nature. Studying with him was a pleasure, not a difficult task, and the students gladly accepted the responsibilities which he gave them, and bore them well.

One moy place o value upon the books and articles written by Dr. Xon, and one moy evaluate the department which he established on Howard's compus. But the true value of his teaching and the very basis of his success lies in his profound influence upon his students and the concepts of honesty, efficiency, and decency which he instilled within their minds. Books may be revised, and educational trends may shift, but the philosophy of Christian living and the concept of scientific thinking that Dr. Xon proposed will—like the ancient pyromids, stand unblimished throughout the ages.

#### President of the College

Major Harwell G. Davis

The year of 1955 marks the sixteenth year that Majar Harwell G. Davis has faithfully served Howard Callege as president. Through his leadership our callege has grawn and expanded, and naw, because af his patience and diligent effort, has been brought to its most prized goal—the beginning of a new campus.

Graduated from the University of Alabama with an L.L.B. degree, he was later awarded an LL. D. degree. He practiced law at Thamasville and Gadsden and later served the citizens of Alabama as Attarney General and U.S. Callectar of Internal Revenue.

In July, 1939, Major Davis came ta Howard and under his wanderful leadership has built up a callege that any student wauld be praud ta claim as his Alma Mater. The future af Haward Callege indeed seems to be secure in the capable hands af such a man.

#### Dean of the college

DEAN PERCY P. BURNS

One of the most respected, beloved, and efficient men on Howard's campus is Dean Percy P. Burns. A graduate of Howard he earned his M.A. degree at Harvard. He has done further study at the University of Chicago and holds an honorary Litt. D. from Mercer University.

In the fall, Dean Burns came back to Howard as acting professor of English and the following year was made professor and head of the department. He has served Howard as registrar, dean of students, and now as Dean of the College.

Since the beginning of his service at Howard, his name has become synonymous with that of the spirit of Howard. "H" Day, 1955, was a paramount expression of this spirit.

Assistant to the President, Dr. J. A. Fincher, far right, and secretary to the dean, Mrs. Vernelle Crook, far left, entertain a vistor.

#### dean of women

MRS. MARGARET D. SIZEMORE

Dean Margaret D. Sizemare has won a place in the hearts of all Haward students that will not be erased with time. Nat only does she serve the callege in the capacity of "Dean of Wamen", but her office is the center of almost every campus activity.

She received her B.A. and M.A. from Howard and halds the Degre Narmale fram the Saurbonne in Paris, France.

#### dean of men

WILLIAM PRATT DALE, II

Dean William Pratt Dale, II stands as an example of a man imbued with extraordinary courage to the students at Haward. Dean Dale maved fram Kentucky ta Hale Caunty, Alabama, where he entered grade schaal. His high schaal education was abtained at Marblehead, Massachusetts. The next twa years he spent at Delta State Teachers Callege and then transferred to Duke University where he earned three degrees: B.A., M.A., and Ph.D.

Since 1941, when he came ta Haward, students in his classes have seen manifested a spirit of quiet courage and a cheerful determination ta foster the high ideals which are such an essential part of Haward College.

#### registrar

MR. CARL E. TODD

Mr. Carl E. Todd has served as Registrar of the college for the past faur years and his knawledge and service in this capacity has wan him much deserved praise. At Clemson he received his B.S. and later at Peabady he attained his M.A. and M. Ed.

He has not limited his talents to his office, however. Church and school functions find him an active attendant, and because of his work in these additional circles, he has helped to put Howard before the people of our state. Howard students are justly proud of Mr. Todd.

#### treasurer

MR. JOHN G. BURTON

Far the past seven years Mr. Jahn G. Burton has capably served as Treasurer of Haward College. During this time, he has shawn bath his ability and efficiency in perfarming all the jabs he has undertaken.

Mr. Burtan has always been an autstanding leader, having served as mayar af Jasper and a deacan af the Baptist Church far numeraus years. Haward Callege is indeed happy that he came aur way because af his untiring effort in behalf af the callege.

# So What!

Getting out this yearbook is no picnic. If we print jokes, people say we're silly; If we don't people say we're serious. If we clip from other books, We're too lazy to write it ourselves; If we don't we're stuck on our own stuff. If we stick to the job all day, We ought to be out hunting pictures; If we do get out and hustle, We ought to be putting first things first. If we don't print contributions, We don't appreciate true genius; If we do the book is filled with junk. If we make a change in a fellow's write-up, We are too critical: If we don't we are asleep. Now, like as not someone will say We swiped this from some other book-We did!
